Super S Specialist

The letter S has no secret for you.

You know hundred words that start with an S.

You escape test asking you to search for words in S.

Medical certificate

The doctor prescribes muscle relaxation.

You escape a physical test.

Super calculator

You are born with a gift: the numbers have no secret for you.

You know all your tables of multiplication, division, addition and subtraction by heart.

You escape this kind of test calculation.

Charmer of neighbours

You have a crazy charm!

You manage to convince your neighbours that your business is a chance for the neighbourhood.

You do not need to write speech.

Circle of poets

You are great poets, specialists in very short poems.

Your poem is limited to 4 verses.

Immunized !

You and your team have been vaccinated and your farm is protected from outside intrusion.

You escape all contamination, contagion, parasite, fungal disease, without damage ... and without a veterinarian!

You do not pay any fees.

Answer to everything

For any event challenging you have to find 3 items, the Game Master gives you one of the answers.

Only two to find!
